Stay connected with the latest from the water industry-AWWAIndia Association proudly presents the newest edition of its Quarterly Newsletter, your window into the pulse of activities and innovations across the association. In this issue, we spotlight a compelling webinar that brought together global perspectives on a critical topic.

💡 Webinar Focus: Sustainable Water Treatment for Small and Rural Communities

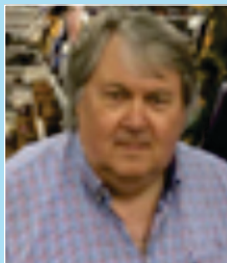

On 7th May 2025, AWWAIndia Association (AIA) hosted an insightful webinar titled “Water Treatment: Sustainable Solutions for Small and Rural Sites.” The virtual event drew participation from a wide audience of water industry professionals, researchers, and environmentalists dedicated to advancing sustainable practices.

The session was expertly moderated by Ms. Garima Mittal, Technical Director, Arcadis Consulting India Pvt. Ltd.

Featured Speakers:

Mr. Abhishek Praveen Jadhav
Director & CEO
Water and Sewage Environment
Engineering Pvt. Ltd. (ws2epl)

Dr. Imre Pascik
Director, Biofilm Tech GmbH
/ Levapor GmbH

Mr. Amit Kumar Christian
Director
Levapor India Pvt. Ltd.

These distinguished experts shared global and localized perspectives on eco-friendly water treatment strategies, with special emphasis on decentralized and cost-effective solutions suitable for small-scale and rural contexts. The lively Q&A session underscored the audience's engagement and the practicality of the discussions.

The full webinar is available for viewing on the AIA website: Events | AWWAIndia Association, (<https://www.awwa-india.org/events>)

AWWAIndia Association continuously curates events and educational initiatives to strengthen the professional community. Members are encouraged to check the Events section on the website regularly for updates on upcoming webinars and opportunities to participate in knowledge-sharing forums.

About ACE25:

AWWAIndia at ACE25: Elevating India's Presence on the Global Water Stage

Date: 8–11 June 2025 Location: Colorado Convention Center, Denver, USA

The **American Water Works Association (AWWA)** concluded its flagship Annual Conference & Exposition (ACE25) with resounding success. Themed “Elevate the Future of Water,” the event brought together over 11,000 water professionals from across the world to exchange knowledge, showcase innovation, and shape the future of the global water sector.

The conference featured:

- **147 Technical Sessions**
- **15 Innovation Hub Presentations.** These sessions focused on real-world challenges and practical solutions, offering attendees exposure to cutting-edge research, case studies, and technologies. The exposition hall welcomed over 450 exhibitors, presenting state-of-the-art tools and services driving the industry forward.

AWWAIndia's Representation

Mr. Hemen V. Patel, Chairman, **AWWAIndia Association (AIA)**, and **Mr. Prasana Shah**, Executive Committee Member (AIA), represented India at ACE25. They jointly addressed the **AWWA Board (USA)**, highlighting the strides made by AWWAIndia in community engagement, professional development, and international collaboration.

They also participated in a strategic meeting with the **Korean Water Association** and **Korean Water Partnership**, joined by:

- **Mr. Nilaksh Kothari**, Ex-President, AWWA, USA
- **Mr. Colin Chong**, Relationship Manager, AWWA Korea Program. This dialogue laid the foundation for future joint efforts in solving shared water challenges.

Presentation from AWWAIndia:

In a proud moment for the AIA, Mr. Abhishek Praveen Jadhav, Member of AIA & Director & CEO of Water and Sewage Environment Engineering Pvt. Ltd. (ws2epl), presented a session titled: "Packaged Water Treatment Plant: A Boon to Water Supply Schemes." His talk was met with high praise for its practical insights and innovative outlook, earning recognition from global attendees

A glimpse of AWWAIndia Association participants at ACE25 is shared below:

AICE25: Join Us in Indore for the 4th Annual AWWAIndia Conference & Exhibition!

We're thrilled to announce that the **4th Annual Conference and Exhibition (AICE25)** hosted by **AWWAIndia Association** will be held from 8th to 10th December 2025 in the vibrant city of **Indore, Madhya Pradesh**.

 **Venue: Radisson Blu Hotel, 12, Scheme No 94C, Ring Road, Indore – 452010**

Conference Theme: Elevating Water Future - Water Resilience and Management

Elevating Water Future - Water Resilience & Management | AWWAIndia Association

This three-day event promises engaging discussions, ground-breaking solutions, and cross-sectoral collaboration from water professionals across the country and beyond. A pre-conference workshop will kick off on 8th December 2025, details on the workshop topic will be shared shortly.

 **Important Dates to Remember:**

- **Call for Abstracts Opens: 1st July 2025**
- **Deadline for Abstract Submission: 31st August 2025**
- **Notification to Selected Speakers: 30th September 2025**

We invite professionals, researchers, and thought leaders to showcase their work, exchange ideas, and explore innovative solutions to pressing challenges in the water sector.
